To 4:

The attached memorandum on the handling of the Personnel Development Program is resubmitted for signature and reflects the changes you made on the original submission.

I interpret your amended language in paragraph 2 to mean you desire this Office to, first, work with each of the Directorates to establish a standardized method of presenting their PDP to you and underscoring the more significant parts of their contents. We would further plan, after accomplishing the above, to schedule individual Directorate presentations with you.
